Around the Square

Emile Smith, 333 N. Sunny-side, thinks that garages were meant to park cars in. Not that he's exactly sore about the situation in which others are temporarily disagreeing with him. When two of the new owners of the former Bassett & Washburn Kentia Palm Nursery, the Wilcox brothers, gave Boy Scout Troop 6 almost 50 Kentia Palms to sell for the troop's benefit, Smith thought it a nice gesture—especially considering that his son, Raymond, is in the troop.

He had no way of knowing then that the boys would park the palms in his garage. And while they're there, they need watering. Guess who does it? Anybody want to buy a palm? Kentia, that is?

Here's one for "Believe It or Not!" City Hall received a letter the other day from a citizen who addressed that old battered target of complaints with a note beginning, "Gentlemen," and then launches into—not a complaint—but a thank-you note!

What's more, it referred to the speedy, efficient manner in which combustible rubbish had been removed from the street. (If this sounds like just too much fiction, ask Mrs. Rodney Gale, 669 Sturtevant Drive.)

A little boy at a local market last week put an ice-cream bar under his coat while wandering around the establishment in what he apparently hoped was an air of innocence. Clerks in all stores are accustomed to this sort of thing, and can spot such offenders with a mere glance. Even though they know it's their duty to stop the juvenile thieves, they sometimes find it hard to embarrass the non-paying child customers. Too soft-hearted!

But in this case there was no way out. By the time the youngster had wandered among other counters, the ice-cream had melted all over his air of innocence—and his trousers. He was dripping with evidence.

Edison Company In Continued Service

Commenting on the current situation in the strike of Local 47, IBEW-AFL, against the public served by the Southern California Edison Company, W. C. Mullendore, president of the company, stated that the company is continuing to maintain full service to its customers with more than 5,100 of its 7,300 employees on the job.

Mr. Mullendore stated that the company was receiving overwhelming support as evidenced by literally thousands of letters, telegrams and telephone calls flooding into its office from customers commending the company's stand against compulsory union membership.

In the meantime, reports of dynamited power lines have come this week from Los Angeles as the strike continues in its third week. Although there has been picketing of Edison Company offices in Monrovia, there has as yet been no sign of union protestations in Sierra Madre.

LEGION AUXILIARY

Mrs. Rose Galkin will be hostess to the Legion Auxiliary tonight (Thursday) at her home, 110 E. Mira Monte, at 8 o'clock. Auctioneer Kitty Miller will conduct a White Elephant Sale for the benefit of the Child Welfare fund.

Method of Selecting Country Fair Queen Decided Tomorrow

Representatives from 30 or 35 service clubs and civic organizations will meet for dinner tomorrow night at the Woman's Club, the time to be announced by invitation only, to hear William Overly, speaking for the Pan American Amusement Corporation, who will explain the means by which organizations in Sierra Madre and surrounding communities may select a candidate for Queen of Sierra Madre's "Country Fair," planned for this June.

Overly, named as general agent for the Fair, is expected to point out the method by which community organiza-

\$10 Dinner To Increase Swim Pool Chances

The \$10-a-plate Kick-Off Dinner for the Sierra Madre Swimming Pool Fund is scheduled for Saturday evening, April 11, beginning at 8 o'clock, at the Pasadena Athletic Club. All proceeds go to the pool.

All local organizations are selling tickets, and there's an expense-free vacation in it for some lucky Sierra Madre couple. The group selling the most tickets will be entitled to send a couple of their choice to the St. Catherine Hotel on Santa Catalina Island, for a gala week. Tickets may be obtained at the Sierra Madre City Hall, or will be delivered by calling the ticket chairman, Clem Pierce, at Custer 5-0340.

There will be entertainment at the dinner, dancing to music provided by the Four Sharps, and during the evening Virginia Sayles will provide a preview of what the local lovelies will wear around the new pool, assisted by Catalina Swim Suit representatives.

This is the first of many events planned to raise funds for the anticipated pool. The paper drive continues, with Sam Simpson as chairman. Volunteers are needed every Saturday noon on the city lot.

Plans for the Community Fair, from June 9 through the 14th, continue, with Dan D'Arcy as chairman.

Motorists Are Warned About License Tags

It's time for Sierra Madreans without their 1953 license tags to take heed! A. H. Henderson, Director of Motor Vehicles, today notified traffic law enforcement agencies throughout the State that processing of vehicle registration renewals is close to completion.

"In view of these circumstances," Director Henderson's announcement stated, "effective since March 15, traffic squads of enforcement agencies have been free to put on a campaign of questioning owners of vehicles that are being operated without visible evidence of 1953 registration."

Services Held For Caroline C. Burbank

Mrs. Caroline Clifford Burbank, who came to Sierra Madre in 1923 with her husband, E. D. Burbank, died here last Monday. Private funeral services were held yesterday at Grant Chapel, with Rev. Carl Smith officiating.

Mrs. Burbank had been a member of the Congregational Church, the Dickens Fellowship, the Pasadena chapter of the Daughters of the American Revolution, and the Sierra Madre Woman's Club. She also was active in other organizations here on the West Coast and in the Mid-West, where she was born in Evanston, Ill., August 16, 1868.

Besides her husband, she is survived by a nephew, Chester B. Clifford of Chicago.

WARREN JOHNSON TRAINS ON SUPER CONSTELLATION

Warren H. Johnson, 685 Ramona, will return this weekend from three weeks of training on TWA's new Super Constellation at the TWA base in Kansas City, Mo. Mr. Johnson is a flight engineer, having logged over 7000 hours during his 8 years with TWA.

NO MATTER WHICH CARD HE CHOSE from the hands of Mrs. Warren Johnson, co-owner of Fashion Future, the results to Mayor Henry F. Korsmeier were the same. That's because the cards are tickets and each costs ten dollars per person for the "Kick-Off Dinner" on behalf of the Swimming Pool Fund, scheduled for Saturday evening, April 11, at the Pasadena Athletic Club. The Mayor, in being the first to purchase a ticket, has set the style for many who will think the price not too high considering the cause and the array of entertainment that goes with the dinner.

Red Cross at Halfway Mark In Campaign

The local chapter of the American Red Cross reports \$3892 in the last counting of funds collected in the March campaign. The amount, according to Miss Clara L. Sykes, treasurer for the annual funds drive in Sierra Madre, represents 54 per cent of the community's goal, which is \$7222.

Mrs. H. G. Hargraves, publicity chairman for the local Red Cross, has suggested that anyone who has not been contacted in the house-to-house canvass may mail his contribution to, or telephone, the Chapter House at 41 S. Baldwin.

According to Mrs. Leo Meyer, campaign chairman, 89 volunteer workers are engaged in collecting contributions, but so far have not been able to contact as many people as might be desired. Those who telephone their contributions are asked to call CU. 5-0745.

Farr Replaces Barr In Police Department

Maurice Farr, of Pasadena, has replaced Robert Barr as patrolman on the Sierra Madre Police Force. Barr, who is company commander here for the National Guard, has been called to Field Grade Officer School at Fort Benning, Ga., which he entered two weeks ago as first lieutenant. He anticipates the rank of captain before the summer is over.

After finishing at Fort Benning June 28, Barr plans to return to Sierra Madre to resume his post with the National Guard.

RAY SAGE RETIRES

Ray E. Sage, a resident of 150 N. Sunnyside avenue, retired March 18, from county government after 27 years of service. Mr. Sage was employed in the General Hospital as electrician foreman.

Paul Sheldon Assists Mexican-U.S. Meeting

Paul Sheldon, Ph.D., 124 S. Hermosa, is a member of the committee that has arranged a conference at Occidental College, entitled: "Mexican-United States Intellectual Cooperation—Problems and Opportunities." The conference, sponsored by the college in cooperation with the Rockefeller Foundation, is scheduled for March 27 and 28. Sheldon, who is chairman of the Department of Sociology and Anthropology at Occidental, and has been director of the Mexican-American conferences in years past, came to Sierra Madre three years ago. A native of Vermont, he attended Harvard and New York universities.

LIONS TO HEAR JOUVENAT TONIGHT

The Sierra Madre Lions Club will meet at 7:15 tonight at the Woman's Club for dinner and to hear local Lion Baxter J. Jovenat Jr. discuss some pertinent information relative to various insurance problems.

Last Friday evening student speakers from this zone of the International Lions student contest met at the Pasadena Athletic Club for the zone contest. Sierra Madre made an impressive showing, represented by Don Bolter, but the decision for first place was awarded to a Pasadenaan. The subject was "Man's Search for Security."

RICKMAN HERE IN LEAVE

Seaman Apprentice Ray Alan Rickman, 20-year-old son of Mr. and Mrs. Ray Rickman, 659 W. Alegria, returned from his boot camp training at the U. S. Naval Station in San Diego last week-end for a two-weeks' vacation before being shipped out to a destination which, so far, has not been announced.

Long Service At City Hall Celebrated

A doubly auspicious occasion was celebrated in a brief ceremony at 3 o'clock the afternoon of March 19 when two birthday cakes were delivered to City Hall bearing the names of Gordon G. McMillan, chief of police, and Al Freeland, superintendent of the water department.

The event marked Freeland's 25th anniversary with the city, and McMillan's birthday. Because McMillan will observe his 27th anniversary with the police department this June, it was the thought of City Administrator R. Merritt Baker that a few minutes should be taken from the day to pay tribute to two of Sierra Madre's most loyal employees.

Those who attended the cutting of the cakes, along with Baker, were: Mrs. Marie Warfel, Mrs. Beatrice Thompson, Miss Lucille Travis, Ben Mobley, Mrs. Helen Monson, C. J. Pegler, and Miss Dolores Thill.

City Warned of Fire Hazard at Northwest

Group Named Paper Pirates By Youngsters

Sam Simpson, chairman of the Paper Drive on behalf of the Swimming Pool Fund, knows that collecting papers from curbs throughout town is not so simple as it sounds, but with all the complications that might arise he had never thought he would encounter "Paper Pirates"—as named by the younger set.

Simpson, who has been striving to find enough volunteers to help load the papers, was met at noon last Saturday at the designated spot—the large sign neighboring the Woman's Clubhouse—by a group of eager young Scouts. Although he and his committee members need more adult assistance, especially in driving the cars, he was appreciative of the Scouts' help. Trouble was, as the group toured the town, there seemed to be no papers to collect.

Then around a street corner, Simpson found the answer. It was a large truck with six men aboard who were loading the bundles that had been left for the Paper Drive. When Simpson objected, he was told by one of them, whose name he did not learn, that there was nothing he could do about it.

Later, however, police encouraged the men to leave town, but they left with a load of paper which Simpson believes was worth about \$120. Legally the men were within their rights, for one of them has a license to make collections here, but the majority of opinion has it that when Sierra Madre organizes a Paper Drive to raise money towards a new swimming pool, it doesn't welcome outsiders who would make use of the Paper Drive schedules on Saturdays.

Simpson hopes that residents will report any similar occurrence in the future to the police.

Bailey Canyon Area Reported A Tinder Box For Campfires

City Council last Tuesday evening heard the report of a fire hazard of such magnitude in the city's northwest area, at Bailey Canyon, that city councilmen immediately referred the matter to Fire Chief Jim Heasley, City Engineer Glenn B. Watson, and Water Superintendent Al Freeland for investigation.

Along with considerations of buying new fire fighting equipment, Council gave its attention to a letter, signed by 23 of some of the most prominent names in Sierra Madre, describing the threat of fire in the northwest canyon area that approaches high intensity as the dry season continues and summer approaches.

The letter, written by Paul N. Carter, 716 N. Lima, stated in part: "Despite fencing and barricades, many picnickers and hikers find their way into this area. Since many... are not familiar with the summer

fire hazard, the risk is increased in proportion to the increase of population.

"The mountainsides adjoining Bailey Canyon have been the locale of serious fires. The writer has, during the past two summer seasons, seen evidence of campfires in unsafe locations on the canyon floor—left uncovered and not wet down."

The letter also refers to a road which, prior to 1938, extended to the mouth of the canyon where a city water main crosses, and two fire hydrants are located under City pressure, with two more on a private line.

"Since part of the danger area is owned by the Los Angeles Flood Control District, it is suggested that their assistance may be obtained in jointly rebuilding the fire road."

Following hard upon one of Sierra Madre's most widespread fires, which threatened an entire canyon community last week, the subject of fire prevention and the Volunteer Fire Department's needs is fast becoming one of the City's most immediate problems—as has long been suggested by Fire Chief Jim Heasley in his News column, "Fire Flames."

Another item on the Council's agenda was the upholding of a recent Planning Commission's recommendation to deny the application of Mr. and Mrs. Thomas Buie to rezone the old Sierra Madre Hotel property, 225 N. Lima, to R-3 (multiple residential).

It was suggested to Attorney Robert H. Aarons, who represented the Buies, that the hotel owners, who claim the 68-year-old structure is a "white elephant," return with a request for a variance, showing a plan for the proposed change to a bungalow court, along with a sketch.

SIERRA MADREANS IN CIVIC CONCERT

A distinguished program in which three Sierra Madre musicians will partake will be presented by the Pasadena Civic Music Association for Palm Sunday, March 29, beginning at 3 p.m. in Civic Auditorium. The Sierra Madreans are Mrs. Philip Mitchell, viola; Deane Tennock, trumpet; and brother, Malcolm, on trombone.

Concert excerpts from Wagner's "Parsifal" will be featured in the silver jubilee appearance by the Pasadena Civic Symphony Orchestra, the Civic Chorus, and the Ineonta Congregational Church Choir of South Pasadena.

Mrs. Stanley Fish, another Sierra Madrean, is a member of the Chorus.

Doors will open at 2:30 p.m. and there will be no charge for admission.

Surprise Speaker to Be Heard by Kiwanis

The next Tuesday luncheon meeting of the Sierra Madre Kiwanis Club will feature a surprise speaker, with Dr. P. R. Woodworth acting as program chairman.

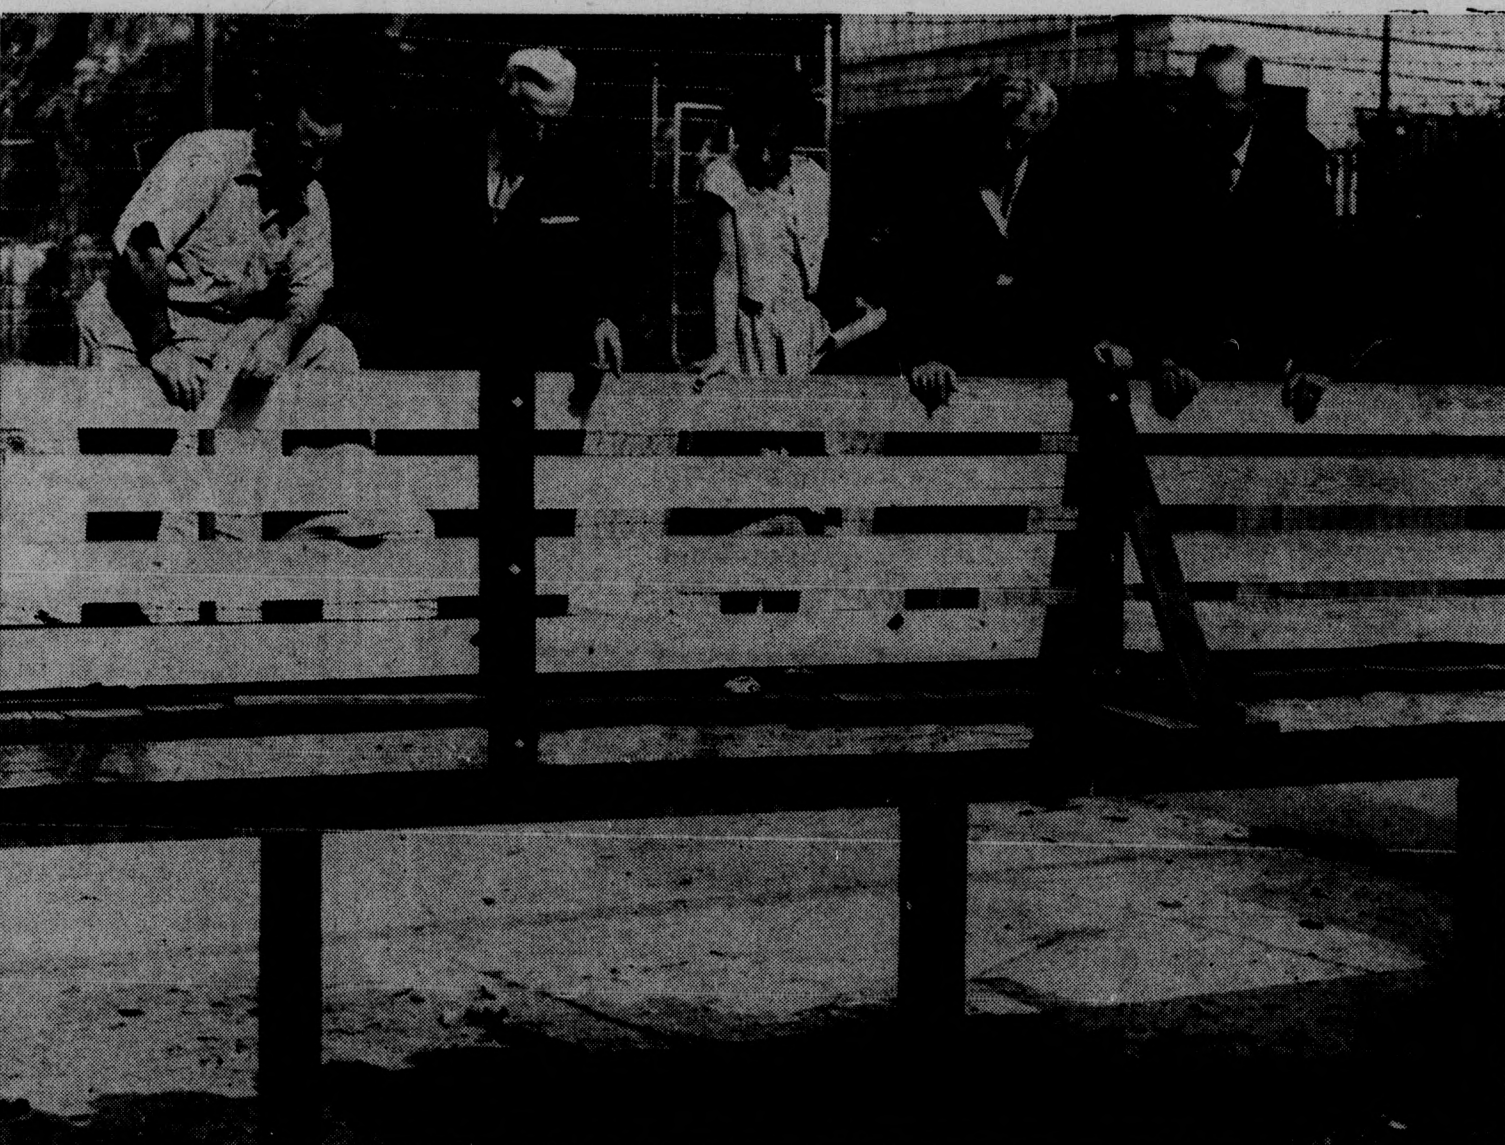

Last Tuesday's meeting featured Carl M. Shafer as guest speaker. His talk, based on the activities of the Family Service organizations, both here and in Pasadena, was in keeping with the Kiwanians' plans for developing children's work and participation in civic affairs.

Shafer is the executive director in Pasadena for Family Service.

LOCAL RED CROSS HOST TO COUNCIL

The Sierra Madre Red Cross was host to members of the Long Beach Council of the American Red Cross Tuesday, March 10, at the Woman's Clubhouse.

The members met at 10 a.m. and adjourned at noon to be the guests of Mrs. Dick Thayer at the Wistaria Vine. Main purpose of the meeting was to plan the activities of the Junior Red Cross and the services to hospitals which it renders.

THE OLD SWIMMING POOL IN THE CANYON draws a disdaintful look from three members of Sierra Madre's Recreation Commission, along with Mrs. Florence Peterson and Judge John Mead at the right, when the group recently visited the site that was appraised by the State of California Recreation Commission in 1949 as barely able to pass the minimum standards of health and safety. Those who have found reason to agree with the report are, left to right, Milton Goldberg, Ralph "Pappy" Welch, Mrs. Stanley Coutant, Mrs. Peterson, and Judge Mead. The latter two are committee members in the newswimming pool campaign.

Model Seder to Precede Local Passover Feast

The eight-day observance of the Feast of the Passover by local Jewry will begin at sundown Monday night, March 30, and will continue with solemn observances in homes and synagogues, culminating in the two concluding nights of special meaning and importance.

Prior to the observance a model Seder will be held March

29 in the Foothill Jewish Community Center for the instruction of children in the meaning of the Passover, according to Dr. Charles Steckel, pastor.

At services tomorrow night the Adult Class of the Center will participate in and Dr. Steckel will conduct services at 8:15 p.m.

The California Department of American Legion has on its enrollment close to 150,000 veterans of two World Wars and the Korea action.

City's Churches Open Holy Week With Palm Sunday Rites

Palm Sunday services in Sierra Madre churches of many denominations will open the full observance of Holy Week. Special music and palm-decked altars and chancels, in addition to sermons dealing with the spiritual meaning of events leading up to Jesus' betrayal and crucifixion, will mark these services.

In Roman Catholic churches, such as St. Rita's of Sierra Madre, palms will be blessed before the first mass and will be distributed after each mass. In Roman Catholic churches and Episcopal churches vestments and altar dressings continue in the same purple of the Lenten season, changing to black for Good Friday services and then to white for the joyous celebration of Easter and the risen Christ.

Services in Woman's Club

Observances in Sierra Madre's Faith Lutheran Church, also a liturgical church, will be comparatively simple due to the fact that services are being held in the Woman's Clubhouse pending completion of the new church structure on Sierra Madre boulevard in Hastings Ranch.

Maundy Thursday

In addition to Palm Sunday services the Congregational and Trinity Presbyterian Church are among the local churches which will observe Maundy Thursday one week from tonight, April 2. Both will be communion services and at Trinity Church will be marked by the reception of new adult members.

Jews Observe Passover

Coinciding with these observances, one out of every 8 persons last year participated in Red Cross activities through a contribution of \$1 or more to its support.

ances in Christian churches, Sierra Madre Jewry will observe the Feast of the Passover beginning at sundown March 30 and continuing through the night of April 7. Commemorating the redemption of Jews from slavery into freedom, the Passover will be observed in the homes of Orthodox Jewish families and at services in the synagogue of the Foothill Jewish Community Center.

Elsewhere on this page appear the announcements of Palm Sunday services of the various churches.

Special Palm Service At Trinity Church

Trinity Presbyterian Church, of which Rev. Donald H. Ostrander is minister, will observe Palm Sunday with a special service of infant baptism and reception of children into the membership of the church. The children will number about six and will have completed on the previous day a series of classes for communicants.

The church sanctuary will be decorated for the occasion with Kentia palms arranged under the supervision of William Skow, a landscape architect and deacon in the church. The choir, under the direction of Manning Marquis Jr., will offer special music.

Rev. Ostrander's Palm Sunday sermon subject will be "Vision at the Cross," the fifth in his Lenten series.

On Maundy Thursday, April 2, at 8 p.m., a special service of candlelight communion and reception of adult members will be observed.

Palm Sunday Also Laywomen Sunday At First Baptist

Palm Sunday also will be "Laywomen's Sunday" in First Baptist Church, of which Rev. Roy Reed Gibbs is pastor. Members of the Women's Missionary Society will contribute recitations, announcements, devotions, special music, Scripture readings and prayer. The program is being arranged under the supervision of Mrs. Walter F. MacNeill, president of the society.

In addition, Mr. L. C. Anderson, an official of the College Avenue Baptist Church, sister church of Sierra Madre's First Baptist in the General Conference, will be the guest speaker.

A prominent business man and church leader, according to Rev. Gibbs, Mr. Anderson will speak on and show films and slides of foreign missions visited during a recent worldwide trip of the missionary stations of the General Baptist Conference of America.

This special program will be presented at morning worship services at 11 a.m. At 7:30 that evening a nether missionary program will be presented with Rev. Gibbs offering a missionary challenge.

Full Holy Week Observance at Congregat'nal

Palm Sunday will open a full observance of Holy Week in the Sierra Madre Congregational Church, according to the minister, Rev. Carl C. Smith. At the morning service there will be special music by the Chancel Choir under the direction of Deane A. Tack.

Rev. Smith's sermon on Palm Sunday will be on the subject, "Two Great Surprises." On Wednesday evening in the

ST. RITA'S IN TRADITIONAL PALMS BLESSING

At St. Rita's Roman Catholic Church, the priests, Rev. Thomas O'Malley and Rev. Joseph F. G. Ryan, will bless the traditional palms of Palm Sunday before the mass at 6:30 a.m. and the palms will be distributed after that and the following masses at 8:30, 10:30 and 12 o'clock noon.

In observance of what is known as Spy Wednesday confessions will be heard Wednesday between 4 and 5:30 p.m. and 7:30 and 9 p.m.

New Junior Choir To Sing at Lutheran Palm Sunday Service

The newly organized 10-voice Junior Choir of Faith Lutheran Church will make its first appearance at Palm Sunday services at 10:30 a.m. in the Woman's Clubhouse where the church is holding services temporarily until the new building is completed.

The choir, comprising children between the ages of 12 and 16, is directed by Warren Zelt. Mrs. Viola Allison is the accompanist.

A Good Friday service has been announced by the pastor, Rev. A. Hesse, for 8 p.m., April 3, in the Woman's Clubhouse.

Life-size Wood Carving of Last Supper

Courtesy Christian Science Monitor

BOSTON, MASS.—All the specialized skills of some of the finest craftsmen of New England have been combined to create this life-size copy in wood of the famous painting "The Last Supper" by Leonardo da Vinci.

More than a year was used in preparing the great carving—18½ feet long and 8½ feet wide. The figures, of linewood, are delicately tinted to give a feeling of lifelike reality, and a giant frame of coniferous wood gives it depth. The carving will be the point of central interest in the Upper Room chapel, now nearing completion in Nashville. It is expected that visitors who view the carving will be moved to spend a few moments in prayer and meditation in keeping with the purpose of the Upper Room that it will become a devotional shrine and point of interest for visitors of the Mid South.

The picture shows W. D. Irving, of Irving and Casson, New York and Boston, who have produced wood carvings for some of America's greatest churches and cathedrals. The wood carving was done from a model created by Earnest Pelligrini.

Guests at Snows' St. Patrick's Party Kiss Blarney Stone

If they had been carrying shillelaghs, guests of the Harry R. Snows would have had to put them aside to kiss a California-type "blarney stone," one of the features of the Snows' St. Patrick's Day dinner party.

Mrs. Snow is Irish and feels a festive affinity to St. Patrick's Day so their home was one of the gayest spots in Sierra Madre that night. Guests had received invitations in verse suggesting that the "wearin' o' the green" be part of their attire.

Attending the party were Mr. and Mrs. Edward R. Oliver, Mr. and Mrs. Hugh L. Colvin, Mr. and Mrs. Milton Goldberg, Mr. and Mrs. C. F. Adam, Mr. and Mrs. Mac A. Cason, and the Casons' houseguest, Mrs. Cason's sister, Miss Lillie Willis of New Bern, N. C.

A Letter From Athens to the Folks at Home

Virginia Pittinger, wife of Lincoln Pittinger, now on an engineering job in Athens, Greece, writes to *The News* about the experiences she is sharing with her husband and three children during a year's absence from their home in Sierra Madre.

Villa Antigone Iatrou Ekali, Greece.

Our house is not much—but the country is beautiful. Tall, fragrant pine trees, Mt. Parnis brooding over us on the west, Pentelikon (?) on the east and, in between, the loveliest rolling hill country to be seen anywhere in the world. The road that goes by our house is a main highway to Athens and it is there that you see at one time or another all the symbols of conflicting influence and cultures that try to keep these countries from steering a direct, forward course.

Passing Pageantry
Mostly there are donkeys—tiny gray creatures with mournful faces and dainty hooves that beat a staccato story of patience on the asphalt road. Sometimes they carry a man or a woman or a Greek Orthodox priest, black bearded, black-haired and black-frocked. But more often they pull flimsy two-wheel carts loaded to the tipping point with vegetables or household goods or straw or hay or wood. There are diminutive horses, too, tired and dejected, heads bobbing painfully with every step. Bicycles, pushcarts, motorcycles, army trucks, tanks and jeeps, buses—enough buses to fill a U. S. city driver's nightmare for months—flocks of sheep, goats and turkeys—these make up the traffic of our road. (If I haven't mentioned automobiles, it is not through an oversight. It is because there are so few of them as to be negligible and those there are belong for the most part to Americans.) And

Parkers Feted At Anniversary Party

Mr. and Mrs. T. R. Bauerle of Rancho Road were hosts Sunday night at a supper party honoring Mr. and Mrs. T. M. R. Parker, 91 E. Laurel, in celebration of their first wedding anniversary. Mrs. Parker is the former Marjorie Barter, editor of the Sierra Madre News at one time.

Among the guests were Mr. and Mrs. John E. Conzelman who were in the Parkers' wedding party.

Amateur Radio Men Share 'Aloha' Party

Fifty amateur radio operators from Southern California recently attended an open house and "Aloha" party in honor of Sgt. Ray Baumann, of the U. S. Marines, and his wife, Bonnie, recently at the home of Carl "Fritz" Adam, 93 N. Canon, prior to Baumann's departure for duty at Pearl Harbor.

Baumann, previously stationed at Camp Pendleton, has organized an amateur radio network known as the Military and Civilian Affiliated Network, handling messages between this country and the South Pacific, including Far East theaters of operation.

Some of the radio men were from San Diego, San Bernardino, Mojave, and many of the military installations in the Southland. Adam, who represents the network in this area, began his amateur radio career in 1911 in Berkeley and holds an amateur radio license, "Extra Class." He held a first class commercial license in 1913 when he acted as a radio operator aboard the SS "J. B. Stetson" operating in the Pacific.

Adam's set here operates principally at frequencies of 10 and 75 meters, with power at 120 watts.

MOVE FROM TEMPLE CITY

Comparative newcomers to Sierra Madre are Mrs. Jessie Martin and her sister, Mrs. H. D. McQuade, who have come here after several years' residence in Temple City. They are occupying the guest house of their brother and sister-in-law, Mr. and Mrs. Jack Bridwell, 141 Esperanza.

The guest house address is 139 Esperanza.

then there is the musical accompaniment to all this activity on our road.

Music of the Highway

You hear the bells first because there are bells on everything from donkeys to carts to motorcycles to gates to churches. There are bells tinkling, bells tolling, bells ringing, bells pealing. There are soldiers singing while they march, vendors wailing their wares in thin oriental fashion, or bawling them lustily in a melody that haunts you long after they've passed. There are children shouting at the ragged gypsies who lead great lumbering, moth-eaten bears on ropes along the road. There are sheep bleating, buses backfiring and dogs barking.

Florence Steward Marries Richard George Simonson

Mr. and Mrs. Richard George Simonson, who were married Saturday in the Congregational church, are expected to return home in a day or so from a honeymoon in Las Vegas. They will make their home in Arcadia.

Mrs. Simonson is the former Miss Florence Elizabeth Steward, daughter of Mrs. Florence Lessley of Pasadena, formerly of Sierra Madre. Mr. Simonson is the son of Mrs. Clyde Simonson of Altadena.

The wedding took place at 11:30 Saturday morning with Rev. Carl C. Smith officiating in the presence of the couple's immediate families and a few close friends.

The bride wore a dressmaker suit in a cafe au lait shade with white accessories and a corsage of white orchids. Her matron of honor, Mrs. John Ivins of Monrovia, wore a navy blue suit with white accessories. The bride's mother wore a

navy blue afternoon dress, also with white accessories, and a corsage of small purple orchids.

Mr. Richard Hale of Pasadena was best man. The bride was given in marriage by her brother, Mr. Lyle Steward of Arcadia. Her uncle, Mr. Robert Ingram of Sierra Madre, played the "Bridal Chorus" from "Lohengrin."

Following the ceremony the wedding party and guests went on to an informal reception in the Pasadena home of the matron of honor's mother, Mrs. George Madison.

The new Mrs. Simonson attended the Sierra Madre school, Wilson Junior High school and Pasadena City College. She is employed by Richley of California in Sierra Madre.

Mr. Simonson, a graduate of Pasadena high school, operates his own automobile service station in Temple City.

CIVIC CLUB TO ELECT OFFICERS

Members of the Sierra Madre Civic Club who have been nominated for new chairmanships are slated for the club's annual election of officers to-night at City Park house, beginning at 8 o'clock.

The entertainment side of the program will include cards and refreshments. Hostesses for the evening will be Mrs. B. J. Burns and Mrs. Marilyn Stinnett.

ALPHA DELTA PI VIOLET BALL SET FOR APRIL 11TH

The Los Angeles Area Council of Alpha Delta Pi sorority alumnae has completed plans for a Violet Ball to be held April 11 in the Los Angeles Biltmore Hotel Rendezvous Room. Proceeds of the ball, which takes its name from the sorority's official flower, will go to the Crippled Children's society, according to Mrs. P. S. Irvine of Hastings Ranch, president of the Pasadena Area alumnae chapter.

In her capacity as an area president, Mrs. Irvine is serving on the dance committee. Among others in this locality who are alumnae of the sorority and somewhat active in alumnae affairs are Mrs. James Cross, Mrs. C. G. Donnelly and Mrs. Frederick R. Stever, all of Hastings Ranch, and Mrs. John Reddon, Mrs. Clifford C. Ward and Mrs. Leslie A. Webster of Sierra Madre. Mrs. Webster is president of the Alpha Delta Pi Mothers' Club at the University of Southern California.

The semi-formal dance April 11 will draw members and guests from the six alumnae areas in the metropolitan area. Approximately 400 are expected to attend.

Newcomers in the Pasadena area with Alpha Delta Pi affiliations who wish to attend may contact Mrs. Irvine.

Lady Lions Install Three New Members

Three new members were installed at the St. Patrick's Day meeting of the Lady Lions in the home of Mrs. Oscar Wilumson, 94 E. Highland. The new members are Mrs. Mabel Hannaford, Mrs. W. E. Johnston and Mrs. Dorothy Brown.

The next meeting of the Lady Lions is scheduled for April 21 at 8 p.m. in Mrs. Lloyd Welch's home, 50 Montecito Court.

BACK FROM BALTIMORE

Mrs. Murray Owen, 330 Ramona, returned recently from the East where she visited in Baltimore, Md., for a month with her son and daughter-in-law, Mr. and Mrs. Murray Owen, Jr., and their small daughter.

Zelda Nemerson's Fiance Serves In Germany With NATO

The engagement of Miss Zelda Nemerson of Sierra Madre to Samuel Martin Weiss, her sister-in-law's brother, has been announced by Miss Nemerson's parents, Mr. and Mrs. Simon Nemerson, 265 Ramona. Mr. Weiss, son of Mr. Herman Weiss of Los Angeles, is serving with the United States Army attached to NATO in Europe and is stationed in Germany at present.

Miss Nemerson has just returned from San Diego where she has been staying since March 8 with her brother and sister-in-law, Mr. and Mrs. Morton Nemerson, to whom a son, Elliott Andrew, was born March 6. Mr. Morton Nemerson is in the navy.

Miss Nemerson attended the Sierra Madre Elementary school, was graduated from Fairfax high school in Los Angeles and has attended Pasadena City College. She plans to resume her studies in night classes at P.C.C. No wedding date has been set inasmuch as Mr. Weiss will be in Europe another 18 months.

Mr. Weiss is a graduate of Hollywood high school and attended Los Angeles City college.

W. F. Schregarduses' Son And Family Here

Mr. and Mrs. William F. Schregardus, 1727 Claridge, Arcadia, will have as their guests for several weeks their son and daughter-in-law, Mr. and Mrs. W. F. Schregardus Jr., of St. Louis, and their daughter, Jan. The junior Schregarduses expect to make their home in the San Gabriel Valley for Mr. Schregardus is being transferred to Los Angeles from the St. Louis telephone company. They are expected to arrive this week.

The senior Schregarduses' son-in-law and daughter, Mr. and Mrs. B. O. Potthoff and two children of Schenectady, N.Y., will arrive in about two weeks for a six-week visit.

Lehmann Pupil On Program For Woman's Club

Members and guests of the Sierra Madre Woman's Club were entertained yesterday afternoon by Miss Joy Kim, pupil of Lotte Lehmann. The program was followed by tea served by Mrs. Peter Tabahak and her committee.

Woman's club delegates to the recent convention in Los Angeles of the District Federation of Women's Clubs reported. They included Mrs. A. S. Myers and Mrs. Fred Williams, delegates, and Mrs. Percy Kortkamp who represented the local club's president, Mrs. E. W. Beutler. Attending with the Woman's Club delegation was Mrs. Helen Sandage of Sierra Madre who represented another club.

Approximately 500 women attended the convention held earlier this month in the Los Angeles Statler hotel.

The District convention next year will be held in Santa Monica, it was planned tentatively. The State Federation convention is scheduled for later this Spring and local delegates will be announced in the near future.

Mrs. Buie Entertains Artaban Officers

Mrs. Thomas P. Buie, 225 N. Lima, worthy high priestess of Artaban Shrine No. 5, White Shrine of Jerusalem, entertained her staff of officers Thursday, March 19, at the Wistaria Vine. The guests enjoyed the vista of the mass of wistaria blooms and the landscaped gardens as seen from the patio where refreshments were served.

Attending from Sierra Madre, in addition to the hostess, were Diademina C. Keyes and Lotta Hopper.

Sisters Entertain With 'Samba' Party

Misses Mildred and Grace Webber and sister, Mrs. Nelle Maguire, of 221 W. Grandview, entertained friends Tuesday evening of last week with a party that featured the new card game, "Samba."

Decorations and refreshments emphasized the color green in honor of St. Patrick's Day.

High scorers at cards were Mrs. Lillian Page of Arcadia, Mrs. Clara Morris of Sierra Madre, and Miss Edna McCabe of Los Angeles.

THE MEN WHO ATTENDED THE WATER TEST last Saturday were too busy watching the pumping equipment on one of Sierra Madre's fire trucks to face the camera. The test was made at the Mira Monte reservoir to determine whether water could be "lifted" from there to the Auburn reservoir through Fire Department pumps, in case of electrical failure during the present strike of Edison workers, or in any emergency. Although the truck, supervised by Fire Chief Jim Heasley, succeeded in transferring a certain amount of water, Water Superintendent Al Freeland says he still intends to experiment for more satisfactory results. Those who could be identified in the picture are Water Commissioner Larry Washburn, partly behind the tree; Councilman Murray Hawkins, Mayor Henry F. Korsemer, Councilman Charles James in the white shirt, and City Administrator R. Merritt Baker at the far right. Others there, besides Freeland and Heasley, were Firemen Joe Grippi, Gene Toms, Ed Decker, Charlie Brown—and one very young, enrapt young man.

ARTHUR ALFRED RUTLEDGE DIES

Arthur Alfred Rutledge, 126 E. Mira Monte, known to many here as the downtown taxi dispatcher, died March 20. A native of Lachington, England, he was 81 years of age.

He is survived by his wife, Irene; daughters, Mrs. Berna R. Quackenboss and Mrs. Lynette Briggs, both of Sierra Madre; a son, John A. Rutledge, better known in Sierra Madre as "Jack" Rutledge; and four grandchildren.

Private graveside services were held Monday at Live Oak Cemetery, with the Rev. Harley G. Smith officiating. Representatives of Grant Chapel were in attendance.

LETTER TO THE EDITOR

Dear Sir:

Will you please see that the following letter is published in a conspicuous spot in your great paper. I will appreciate the favor very much.

To the following young men I want to express my sincere gratitude for their wonderful work on the recent fire that occurred in the Canyon area March 17. The general public should know the valuable fire fighting done by their strenuous efforts.

I am sorry that I am unable to award them with better than a mere letter. All other members of Sierra Madre's Fire Department join me in thanks to:

Al Wingate, Walt Richter, Arnie Richter, Marston Blood, Alan Robertson, Bob Loza, Lonnie Linke, Pat Lovejoy, Gab Udell, Ganee Linke and Dick Thorgenson.

I want to thank the men of the Forestry Department for the early response and the great work done by them. This cooperation means much to the safety of Sierra Madre.

Sincerely yours,

JIM HEASLEY, Fire Chief

P.S. If I have omitted any names, I hope someone will tell me as soon as possible.

FIRE FLAMES

It's sad when we need a tragic fire to remind us that there is much need of fire prevention and that there is a hard working lot of men who represent us as fire fighters. Since the recent fire that burned about three acres of watershed brush, a mountain cabin and a person, we of the fire department have been praised, condemned and asked questions. Some of these questions would hint that there is some negligence somewhere. Many of these persons did not know that their fire protection relies on a group of willing men who volunteer their services. Since learning of this, they are apologetic and considerate. The question we ask is whether these same people would criticize a professional fire department after such a fire had been extinguished. We feel that no fire department could have done better under the same circumstances. The response was early, the work of the men was beyond question and what more could human beings do?

The fire had its bad effects and good results. There will be no more concern to those who worried about the location of the burned cabin and its occupants. For years this particular abode of men (who were irresponsible) has been of anxious concern to your local firemen. It is gone now and with all due respect to the unfortunate man who was burned, the firemen and the neighbors cannot help but give a great sign of relief.

There are other small houses in the area of the mountain brush that must be continuously under observation. Owners should do all within their power to eliminate any fire hazard around the premises. No house should be left vacant without being constantly watched for intruders. Such persons are usually the careless type who little think of fire. Fireplace chimneys without proper screening are one of the worst kinds of hazards. Sparks soaring from an unscreened chimney can drop into the brush and hours later be the cause of a costly fire. Most people know this—few give it much thought.

The next event calling the local firemen to work for the children will be the annual Easter Party at the City Park.

America's New Railroad

What's this surveyor doing? He's sighting on tomorrow...
clipping off an old curve... clipping off the past...

It goes on day after day on the Santa Fe. Building new.

Till there's nothing left that's old today of the Atchison, Topeka and Santa Fe but the country and the song and the pride of its people!

IN THE PAST 5 YEARS... Whole fleets of streamlined trains replaced with finer streamlined trains... Enough new track laid to more than reach from Chicago to Los Angeles... Great new "hump" yards built to speed switching... New roadbed, new rail and new ballast methods—for smoother, safer rides for goods and people.

IN THE PAST YEAR... New freight stations, with new towveyors, at Chicago and San Francisco... Great new construction started to raise Santa Fe rails in Kansas and Missouri above the highest flood stage of recorded history.

IN THIS YEAR... New micro-wave communication system put in service between Gal-

veston and Beaumont, Texas... New freight classification yard will be opened at Belen, New Mexico.

AND IN THE NEXT YEAR... More curves will be clipped, more grades reduced... 119 new diesel units will go to work... New modern diesel shops will be completed... 3600 new freight cars will be placed in service... New electronic communication and control equipment will be installed... and El Capitán will be re-equipped with all new chair cars!

AND IN THE NEXT 5 YEARS... New cars and whole new trains will be rolling on an ever newer, greater Santa Fe.

It costs Santa Fe millions (not one penny from the taxes you pay) to keep America's New Railroad growing newer every day.

Downtown Business Grows

Tour of Store Developments Shows New Rate of Expansion

The sign at the boarded entrance to the former News Stand, announcing a new establishment to be opened "on or about April 1," is a sign of the times so far as downtown business is concerned. Many merchants are expanding, making alterations, or redecorating.

Tour From Hartman's

In a swing around the town for an imaginative glance at the near future, the tour begins at Hartman's Pharmacy, 29 N. Baldwin, where an entirely new front will be begun within 30 days, according to Rudolph Hartman, proprietor.

Hartman, whose father, F. H. Hartman, began the store 43 years ago, intends to modernize his store inside and out. Blueprints, that have been out for bid, include a streamlined sign 14 feet from the top of the building. His new business stationery will read: "Hartman's Pharmacy." The plural designates a second store which he plans at 245 W. Sierra Madre boulevard when the first units of the new Medical Center are built.

Garland's Next

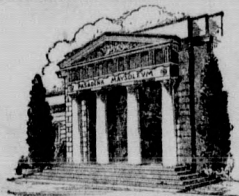

Next around the corner at 7 Kersting Court is Garland's new springtime bid, in a combination of new interior paint and ceiling lights. Painters and electricians have been busy there for the last three Sundays.

Royal Drug-News Stand

Sam Perloff at Royal Drug, 17 Kersting Court, wasted no time in his plans for changing the News Stand for the better since taking it over Jan. 2. His first step was to remove a section of the wall separating the cafe from the drugstore and now his plans include a new kitchen, a counter bordering one wall, and new booths.

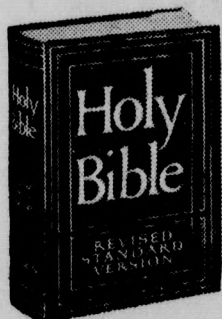

Perloff, who has been in business here since Feb. 19, 1939, has announced that the manager for the new establishment.

ment, to be known as the Royal Fountain Grill, will be Morrie Yasskin. Yasskin is well known in Sierra Madre as the former proprietor of Morrie's Market that is now Dickson's.

Happy's Happy

Happy, across the street at the liquor store, is especially happy with the coming of spring and a new store front that will include a 14-foot display window and a front door six feet wide. Exterior improvements will be further developed through the installation of neon signs.

Happy, one of the community's outstanding horsemen whose real name is Marshall Mendel, just recently has completed a new warehouse at the rear of his establishment.

La Lone's Not Alone

Going west on Sierra Madre boulevard, in the vicinity of the new Safeway store that completed its modernizing a few weeks ago with new fixtures and refrigeration, another business expansion comes into view at La Lone's Cleaners, 82 West on the boulevard. La Lone, whose brothers also share the family's popularity in Sierra Madre in separate enterprises of their own, is known by his first name, Julian, to most—along with his wife, Dottie, who assists him in the business that is now adding the space next door, formerly Graff's Tailoring Shop.

New equipment and remodeling, plus a new store front, represent an investment in future business that has been indicated by present demands.

Part of the La Lone expansion will feature a complete tailoring and alteration department, with Mrs. Charles McNeilly in charge. The changes are expected to be completed the first or second week in April.

Local Groups Bid To Memorial For Stanton Post, GAR

All patriotic orders in California, including Sierra Madre's Veterans of Foreign Wars, American Legion and others, have been invited to send their representatives and flags to a special memorial service for the Grand Army of the Republic of the Department of California and Nevada.

The service at 1 p.m. March 31 in Patriotic Hall, 1816 S. Figueroa, Los Angeles, will commemorate the demise of Stanton Post No. 55, last post in the department whose sole remaining member, W. A. Magee of Van Nuys, died in February. It also will mark the closing of the post's Last Man's Club and the 100 Year Birthday Club, both organized by Mrs. Margaret Thompson, 132 S. Hermosa, who served since 1935 as special aide to the post's commanders.

HARTMAN'S
PHARMACY
Custer 5-3311

HARTMAN "REXALL" PHARMACY will look like this after present blueprints are projected into construction within the next few months. It's a far cry from the original store, known as "F. H. Hartman" 43 years ago, which was later changed to "Hartman and Son" when Rudolph Hartman, the present owner, went into business with his father. Its streamlined appearance will be one of many to forecast the future of downtown Sierra Madre.

SIERRA MADREANS MEET AT AIRPORT

Sierra Madre acquaintances met briefly last week at International Airport only to part for different destinations, when Mr. and Mrs. Donald Parker, Sr., Miami bound, and Colin Timmons with daughter, Ginger, en route to Washington, found themselves in adjoining ticket lines.

The Parkers are on a pleasure jaunt to Florida, while Timmons and his daughter have been visiting the nation's Capital City on a business trip. Timmons returns to Sierra Madre this week, but Ginger is visiting friends in New York and Chicago before returning.

HARTMAN ATTENDS SERIES

Rudolph Hartman, of Hartman's Pharmacy, is attending a series of weekly lectures open to all registered pharmacists in Founders Hall at the University of Southern California. The lectures, which will be given each Thursday for the next eight weeks, begin at 7:30 p.m.

Saturday to resume her senior year at Stanford University.

New Delphian Chapter Set For This Area

Plans are under way for the formation of another Delphian Society chapter in the Sierra Madre-Arcadia area, according to Miss Frances Neil of Duarte, membership chairman.

One Sierra Madrean, Mrs. W. B. Jenks, 206 Oak Meadow Road, is among those already enrolled in the new chapter, Beta Lambda. Membership in the chapters is limited to 35. There are a number of other chapters in the San Gabriel Valley, among them Delta Nu chapter in Monrovia and Zeta Chi in Arcadia.

Meetings will be held the second and fourth Tuesday mornings of each month in Hinshaw's auditorium, Arcadia. The first meeting, at which organization details will be completed and officers elected, will be announced sometime after Easter.

The Delphian Society, which has more than a quarter of a million members throughout the United States, is a non-sectarian, non-political discussion club, said to be the largest and oldest cultural organization in the country.

It's goals are to fill the intellectual needs of and to provide mental stimulation for busy, mature-minded women. Its current program theme, "Patterns for Modern Living," is considered timely in these days of world chaos, Miss Neil points out.

Arcadia women who have become members thus far of the

new chapter include Mrs. A. F. Randal, Mrs. J. W. Gamby, Mrs. Ray Edwards, Mrs. Dan Jones, Mrs. E. Steinkuler, Mrs. Owen Kearns, Mrs. R. C. Hyder, and Mrs. C. R. Hays.

Mrs. Jenks, the Sierra Madre member, has been a resident here since June, coming here from Sacramento and before that from Ann Arbor, Mich.

Carlton Burlison, 16-year-old son of Rev. and Mrs. Orian G. Burlison, 62 E. Highland, is confined to his home because of a broken leg. Right fielder on the Pasadena Nazarene Academy's varsity baseball team, he slid to second base in a practice game earlier this month and incurred the injury.

He was a patient in Groth hospital for a week.

AN UNUSUAL CELEBRATION?

Good Friday is the No. 1 Memorial Day of the Christian Church. On our National Memorial Day, May 30, we honor those who have sacrificed their lives for our country, but we do not celebrate their death. We celebrate the birthday, not the expiration day, of our great leaders and statesmen.

Yet, in the case of Jesus Christ, the Christian Church commemorates His birth and His death. Why His death? The Bible says: "God shows His love for us in that while we were yet sinners Christ died for us."

Faith Lutheran Church invites you to attend its Good Friday Quiet Hour service at 8:00 P.M., at 270 W. Sierra Madre Blvd.

WITH ENTHUSIASM AND EARNEST PLANNING similar to that which accomplished the Sierra Madre Community Nursery School, a number of Hastings area parents have been busy planning a Ranch area community nursery school. Meeting recently at the home of Mrs. Lewis J. Ross, 3880 Cartwright, to discuss plans for the

school and the election of permanent officers which will take place at the meeting scheduled for tonight, also at Mrs. Ross's home, were Mrs. Eldon A. Stires with her young daughter, Sally; Mrs. William P. Hogboom and her son, Chris; Mrs. Dominic Giangregorio and Mrs. Ross.

Plans Started For Ranch Nursery School

A number of our neighbors in the Ranch have started the "ball rolling" for a Ranch Community Nursery School.

Mrs. Marjorie Green who has so successfully and efficiently carried out her duties as director of the Sierra Madre Community Nursery School since its beginning six years ago, has been most generous with her time and suggestions in helping our local group lay their plans for a nursery school for the youngest children of the Hastings area residents.

To date, the location of the school has not been decided upon. However, it will be situated so that the Ranch children can conveniently attend.

Mrs. Charles Cowen is chairman for the committee working on the project. Membership

and registration are being handled by Mrs. Edsel Curry and Mrs. Robert Farmer; Mrs. Joseph H. Cummins is in charge of the housing committee; the ways and means committee is made up of Mrs. William H. Hillard, Mrs. Eldon Stires, Mrs. Ross E. Burke, Mrs. Dominic Giangregorio, and Mrs. James Chinn; Mrs. J. G. Steffins is responsible for public relations; the equipment committee is made up of Mrs. George M. Lock, Mrs. Charles Smith, and Mrs. Warren Gram; Mrs. John La Montagne is program chairman; Mrs. Lewis Ross and Mrs. Marilyn Hyde are handling the publicity. Others working in the group are Mrs. Frank Jones, Mrs. Bruce Graham, Mrs. Carlotta Wright, Jr., Mrs. Robert Bremer, Mrs. Edwin Cowen, Mrs. Pete Voeglin, Mrs. Elaine Kelly, and Mrs. Dolley Klett.

Mrs. Flannery Gives Party For Daughter

A big party for a little lady made an exciting birthday for Kathy Flannery when she recently celebrated her 4th year. Her mother, Mrs. C. Harris Flannery, gave the party in the Flannerys' home at 3859 Mayfair Drive and invited 14 of Kathy's friends for the occasion.

Circus decorations were carried out on the table and on the birthday cake, and the climax of afternoon games for the kiddies was a peanut hunt. Kathy's guests were Vickie, Bianca, Patty, and Robbie Sears; Frank and Russell King; Linda and Diane Bennett; Patty and Linda Smith; Evelyn and Carolyn Lewis and Mike Robinson.

Local Group Starts Monthly Luncheons

A group of the neighbors in the Upper Ranch have banded together for a monthly meeting of luncheon and cards. Their first meeting was held at the home of Mrs. W. E. Bradford, 1170 Coronet. Those making up the merry group were Mrs. Art Young, Mrs. Paul Kelley, Mrs. Kenneth Cox, Mrs. Desmond Strangman, Mrs. D. H. Williams, Mrs. M. A. Oliver Jr. and Mrs. Robert W. Housel Jr.

Mortons and Bakers Enjoy Winter Sports

Dr. and Mrs. Elmer Morton, with Duke, Foss, and Debbie, 3735 Shadow Grove Road, spent a weekend recently at Big Bear enjoying the snow sports. While at the resort, they met the John Bakers of 3735 Landfair Road who were also enjoying the winter sports.

Birthdays Celebrated By Ed Murphy Family

Three members of the Ed Murphy family, 3780 Hampton Road, celebrated their birthdays on Saturday night, March 14, with a large dinner party in the Murphy's home. The 14th was the date of Marylyn's fourth birthday. Mr. Murphy's birthday was the previous Tuesday, and Mrs. Murphy's was last Friday, the 20th.

Little Marylyn holds the honor of having been the first baby to be born in Hastings Ranch, an honor of which the little girl will be justly proud in later years as she looks at the large residential district where she pioneered.

The guests of the Murphys for the evening were: Mrs. William Holmes, Helen E. and Holmsie Holmes; Mrs. Emma Patterson, Mrs. Holmes' mother; Mr. and Mrs. Frank Murphy, Pat, Jean, and Tim Murphy; Mr. and Mrs. Jack Murphy, Gary and Jacklyn Murphy; Mrs. Eva Holladay; and Marylyn's grandmothers, Mrs. Elizabeth Murphy and Mrs. Clara Bothuynne.

Frank Murphys Give Anniversary Party

Mr. and Mrs. Frank Murphy celebrated their 20th wedding anniversary last week when they entertained relatives and friends on Tuesday night at a cocktail party in their home at 3820 Hampton Road. Following cocktails and opening of gifts, they took their guests to the Huntington Hotel for dinner and dancing in the Ship Room.

Those who enjoyed the gay celebration were Messrs. and Mrs. Robert Orff, Thomas Hogan, Harold Beale, William Holmes, Ed Murphy, and Jack Murphy.

Atkinsons Have Family Birthday Celebration

The John B. Atkinsons had a family dinner party in their home recently at 3795 Shadow Grove Road to celebrate three March birthdays, those of Mr. Atkinson, his mother, Mrs. Le-nore Atkinson, and Mrs. Atkinson's mother, Mrs. Maude Le Baron. Other guests for the evening were Mr. and Mrs. Ted Parker, of Culver City, Mr. Atkinson's sister and brother-in-law.

Mr. and Mrs. Jennings Give Birthday Party

Judy Jennings, daughter of Mr. and Mrs. Draper Jennings, 3640 Shadow Grove Road, celebrated her 10th birthday recently at a lovely party in her home.

Those from the ranch who were Judy's guests for the afternoon were: Dorinda Brown, Judy Everest, Carol Pearce, Jo Dianne Potter, Priscilla Watson, Bob and Mary Ella Smith, Sharon Kathol and Wendy Watson.

The American Legion has achieved universally recognized leadership in the field of child welfare.

A daughter, Laurie Diane, was born to Mr. and Mrs. Harvey B. Davis, 1345 Tropical, March 12. The new Miss Davis weighed 7 pounds 6 ounces on her arrival. The Davises have two sons, Johnny, 6, and Philip, 4.

Anderson Relatives Move To California

The Ray B. Andersons, 3779 Mayfair Drive, are enjoying a visit from Mrs. Anderson's brother and his family, Mr. and Mrs. A. P. Williams Jr. and their children, Karen Tad and Brad.

The Williams have come out from Chicago and are staying in the Ranch with the Andersons until their new home in Covina is ready for them to move into. Meanwhile, Mrs. Williams says they are enjoying the California climate very much. "It was so nice to be able to hang the laundry outdoors this morning," Mrs. Williams said in expressing her enthusiasm for Southern California weather.

Spring Dance

A number of our neighbors were in attendance at the spring dance and evening of fun planned by the Mopettes at the Foothill Jewish Community Center.

Among those in attendance from the Ranch, were Mr. and Mrs. Milton Honowitz, Mr. and Mrs. Nat Danchik, Mr. and Mrs. Herbert Gale, and Mr. and Mrs. Bernard Saxon.

REWARD FOR
DYNAMITERS!**

Southern California Edison Company offers to pay a reward of \$25,000 for information leading to the arrest and conviction of the person or persons who dynamited the company's 220,000 volt transmission towers on Monday night, March 23, and Tuesday morning, March 24.

The two transmission towers which were dynamited Monday night, March 23, at 9:13 1/2 and 9:14 1/2 p.m., are located on the company's Chino-Pisgah 220,000 volt transmission lines (Mile 229, Tower #1) approximately four miles east of the town of Chino. These lines carry electric energy to the Edison system from Hoover Dam.

The towers dynamited Tuesday morning, March 24, at 7:36 a.m. are located on the company's Magunden-Saugus 220,000 volt transmission lines (Mile 183, Tower #1) approximately twenty-seven miles north of Saugus and three miles east of Gorman. The Edison Magunden-Saugus transmission lines carry electric energy from the company's Big Creek generating plants in the High Sierra.

THE STRIKE ITSELF IS NOW THE ISSUE

*"There is No Right to Strike Against the
Public Safety by Anybody, Anywhere, Anytime"*

When that was said to President Gompers of the American Federation of Labor by Calvin Coolidge thirty-four years ago, there was no law which expressly forbade a police strike in Boston, but the absolute and inescapable truth thus stated was immediately recognized and overwhelmingly approved by the people of the entire United States. It is just as indisputably true and just as inescapable today.

The strike against the electric service of 3,000,000 people, served by the Southern California Edison Company, had it accomplished the purpose intended by those who called it, would have been much **more destructive** to the public safety, health and welfare than a strike against the police service.

Fortunately, the loyalty to their duty of the great majority of Edison employees prevented the widespread public disaster which otherwise would have resulted from the strike caused by deluded and reckless union leaders.

The strike is a resort to industrial war. Where public safety is seriously involved as in an electric utility, it is in no sense a legitimate or rightful weapon. It is a conspiracy both to abandon vital posts of duty and to **prevent others from filling them**, which effort, if successful, would immediately set in motion a chain of disastrous consequences causing fatal accidents, enormous loss of property and eventual paralysis of the community life.

Like war, a strike sets free the emotions of hatred and the constant thought and threat of violence. Men and women on strike are victimized by their strike leaders into the delusion that it is they who are abused and the "winning of the strike" becomes almost a "holy cause." The picket-line becomes a "sacred" place which no one must violate. Reason is dethroned. Although many of them expect to complete their working life with their Company, during the strike they join in a common endeavor to destroy its good-will and capacity to serve.

To have used this ugly and dangerous weapon at all against the public safety is wholly wrong and indefensible; but to make impossible demands of the Edison Company management—demands which no informed person of normal judgment should have thought management had the power or right to meet.—and then to pull a strike **against the public** health, welfare and safety in pursuit of those demands is to go far beyond the limits of right and even of decency.

We are now convinced from much evidence that Mr. Rapattoni, the man chiefly responsible for this strike, from the very first, was determined to have his way, including the im-

position of compulsory union membership, or to call this strike. In other words, during the long four months in which he subjected the Company's bargaining representatives to so much abuse, he was not in fact bargaining in good faith. This was, of course, strongly indicated by the fact that before even starting negotiations, he insisted upon and obtained from his members authority to call a strike under the representation that he needed it to use in "collective bargaining."

Then, impossible demands both for a wholly unreasonable wage increase, and for compulsory union membership, were made, and held to, during four months of bargaining (frequently stalled and delayed by Mr. Rapattoni), despite explanation that the Company management had no right, power or authority to meet those demands. Finally, Mr. Rapattoni made the meaningless gesture that he was willing to submit his demands to the consideration of a fact-finding committee. He knew, of course, that if the Company had no right to meet his wholly impossible demands that it could not empower anyone else to consider them with a view to their possible acceptance.

Again, therefore, we repeat: The Company management cannot give that which is not theirs to give. They cannot negotiate during this wrongful strike because collective bargaining cannot be conducted under coercion. And now that Mr. Rapattoni has so clearly shown how he uses and abuses such power as he has, no one should accept the responsibility of giving him more power.

The foregoing leads unavoidably to these conclusions and this policy:

The strike is now the **only** issue. Until it is abandoned, and picket lines withdrawn, there can be no negotiations by the Company with Local 47, I.B.E.W., A.F.L. The Company cannot negotiate during the strike free from some coercive influence of the strike, and hence without at least appearing to accept the strike as a legitimate device in "collective bargaining."

The negotiation or collective bargaining method of arriving at a contract with Local 47, I.B.E.W., A.F.L., was repudiated, and the contract terminated, by the Union's officers, and by their resort to this strike. The two methods—on the one hand peaceful negotiation, and on the other a strike against the public safety—are mutually exclusive and cannot be merged. By their choice of the second method, and so long as they pursue it, the Union leaders have made peaceful negotiations impossible.

Sale of Scout Movie Tickets In Final Week

Boy Scout Troop 3 is in its final week of selling tickets to the troop sponsored moving picture, "You Can't Take It With You." The movie, with cartoons and short subjects also featured, will be given two showings Monday in the auditorium at City School, the first beginning at 2 p.m., the second at 7:30 p.m.

All proceeds will be used to buy camping equipment, including packs that will be kept permanently in the troop for future use by any new "Tenderfoot."

Charles Scutt, school superintendent, is cooperating with Rev. Carl Smith of the Congregational Church, sponsor of the troop, in making arrangements for the show.

After the program, George Black, scoutmaster, will take "Star" Scouts on a camping trip to Arizona and the Grand Canyon. All activities have been planned to fit in with the Easter holidays, beginning on Monday.

Grant Raddon, chairman of Troop 3, has announced that the troop's installation of new officers will be held tonight.

Two April Events Scheduled For Community Concert Group

Two April events both associated with the Foothill Community Concert Association are engaging the interest of Sierra Madrans.

First, there is the one-year membership canvass which opens April 6, and second, the current artists' series comes to a brilliant climax on April 7 when the Philharmonic Piano Quartet is presented.

As announced last week, Mrs. Herbert L. Brown heads the Sierra Madre enrollment, assisted by a group of well-known residents, and headquarters will be established at the Pangborn Realty Co.

Memberships in the concert

group is open to every person, adult or student, with dues for adults \$6 for the year and \$3 for students.

The last concert attraction is awaited with much anticipation. The quartet consists of Ada Kopetz, Bertha Melnik, John Scales and Robert Emmett. All four pianists studied at Juilliard School of Music and all have toured the country as solo recitalists. For their program at Monrovia - Duarte High School auditorium, where all events are held, they will be heard in selections that will include familiar works of Chopin, Mozart, Brahms, Tchaikovsky, and some contemporary composers.

Solo Piano Recital For Gloria Hinshaw

Mrs. Gloria Hinshaw, 556 Oakdale Drive, will appear in a solo piano recital at 8:15 p.m. Saturday, March 28, at Harbison Hall, Pasadena City College.

Mrs. Hinshaw has been a member of the Sierra Madre Public Library for the past two years, and a student of Gus Rihard for the past six years.

Rihard will accompany her in the Gershwin Piano Concerto in F. This is her first solo recital. Her husband is Henry G. Hinshaw, owner of Seaside Service Station.

With BOB BROGGER, The impossible happened! And for once the Marshallites are happy. For they now have for the first time this year a champion, who doesn't eat Wheaties but everything he can get hold of. This unusual boy is 6'1", 250-lb. Warren Gray. He was crowned champion last Thursday at the Preliminary All City meet at Muir College, for winning the city's shot-put event and setting a new record for Junior High competition. Warren, giving his all, put the shot 53 ft. 9½ in., beating the old record by 2 ft. 1½ in.

Now why we call it the impossible is because of the fact that Warren hadn't put over 50 ft. all year! And another stunning thing happened. Gerry Chafant, La Canada's great shot-putter, did only 50 ft. ¼ in. And all year he had been breaking the record by doing over 53 ft. (Records are not officially broken in dual meets.)

But we finally found out what happened to Gerry during the meet. He had been practicing during the dual meets with other schools, using a shot that was four ounces lighter than the regulation 10-lb. shot. Wait a minute though, don't accuse him of cheating, for he probably didn't know about it. But he found out during the City Meet, because they weigh all the shots before the meets.

Warren's quite an athlete. Be looking for him to star on the baseball team this year.

Next week we hope to talk

Pasadena Playhouse Receives Award

The Pasadena Playhouse was presented a gold medal and \$100, one of the top 1952 Freedoms Foundations Awards, in recent ceremonies at the Hollywood Advertising Club luncheon.

Archibald B. Young, president of the Playhouse board of trustees, accepted the award from Don Belding, chairman of the Freedoms Foundations board of directors.

The medal is the only one

'Eclipses' To Bow Out For 'Milky Way'

"Eclipses," Griffith Park Observatory's March planetarium show, will end its notably successful 1953 run with presentations next Sunday at 3, 4:15, and 8:30 p.m.

"Our Milky Way," the planetarium theater's April attraction, will bow in at 8:30 p.m. Wednesday, April 1, and be presented Wednesday through Sunday throughout next month in accordance with the municipal scientific center's winter and spring schedule.

The April planetarium show will give Southland "arm-chair astronomers" an unprecedented opportunity to see how our Milky Way looks from other galaxies by "transporting" them far out into space for closeup views of the Andromeda galaxy, a system of perhaps 100,000 million stars which is very similar to our own galaxy, of which the sun is a very inconspicuous member.

Camping Dates Announced For 'Y' Calendar

Harry Deem, chairman of the Santa Anita District YMCA Camp Committee, has announced that the "Y" will offer a complete program of summer camping for 1953.

According to Sierra Madrans Samuel Kirk, 646 W. Sierra Madre Blvd., and Harold B. Clardy, 541 W. Orange Grove, both on the board of directors for the Santa Anita YMCA District, the summer program will include the opportunity for boys and girls to camp in the mountains and on Catalina Island, as well as the six-week Day Camping schedule.

Camp sign-ups will not be taken officially for another month, but the YMCA wishes to make known the camp dates in order that families planning their summer vacations may make their dates accordingly.

There will be two camps for boys as follows: At Camp Orizaba on Catalina Island, for boys in the 11 to 15 year age bracket, an 8-day period will be offered from July 22 to July 29. For boys who are between 9 and 12 years of age, an 8-day period at Camp Bluff Lake will be offered from August 29 through September 5.

The YMCA Day Camping dates for 1953 provide for the Day Camp to open in Monrovia at the Monrovia Recreation Park from June 30 through July 16, and in Arcadia at the County Park from July 20 to August 6. The Day Camp will operate 4 days per week, Monday through Thursday, from 9 a.m. to 2:30 p.m., in both Monrovia and Arcadia. A boy or girl from age 7 to 2nd grade to 12 years of age may attend from one to six weeks. A limited pick-up service will be provided as in past Day Camping seasons.

Registration in all of the YMCA Camps is open to anyone in the area served by the Santa Anita District YMCA. For further information call the "Y" Office at Elliott 8-5155 or write 941½ W. Foothill Blvd., Monrovia. Anyone interested in camp leadership positions should also contact the "Y."

Drive slower and live longer.

Tokyo Is First Stop For Norris Twins On Tour With USO

The Norris twins, Donna and Diana, who returned several weeks ago from Alaska, didn't linger here long. Popular USO entertainers, they took off again March 16 by air, destination Korea.

The twenty-two-year-old daughters of Mr. and Mrs. James G. Norris, 297 Mariposa, were away for 15 weeks on their Alaskan tour with a USO troupe of 10 men and women.

The Sierra Madre girls, who were born in Sierra Madre as was their father, sing and play several musical instruments.

They flew from San Francisco to Tokyo, Japan, where they will remain for two weeks before going on to Korea where they have been told, they will get within 500 yards of the front lines and will live in tents most of the two months of their stay in Korea.

From there their itinerary takes them to the Philippines, Okinawa, Guam and the Hawaiian Islands.

'Coffee Clutch' Is Helpful To Better Health

By Roy O. Gilbert, M.D.
L. A. County Health Officer

In recent years a rather interesting and pleasant custom has established itself in the life of almost every American who works for a living, and for that matter, many who do not.

In every day slang this custom is referred to as the coffee clutch; officially it is most often designated as the ten minute break. Some of the more serious-minded, who perhaps in order to cover up a feeling of guilt that the world's great work has come to a momentary halt, have dignified this welcome respite from the day's toil as nutrition hour. The word, nour, doesn't mean of course, that anyone is expected to take nearly that long for a "breath-

er" on company time.

Although the coffee clutch is thought of primarily in terms of its pleasant social aspects, many of the more conscientious will feel better to know that its existence is actually based on sound reasons of better health and increased efficiency in production, especially so in work which is monotonous or repetitive.

Studies in industry show that short rest pauses during the middle of the morning and afternoon have a tendency to increase production despite the amount of time lost. One study revealed that there was a 6.2 per cent increase in work output after a seven to ten minute pause during the morning. Another study was made on girls employed in a labelling operation. After establishing a ten minute morning break in which the girls were encouraged to have tea or cocoa and some food, their rate of production was recorded for an eight month period. Their efficiency

increased until their hourly rate of production was 13 per cent greater than in the pre-rest period.

It is generally admitted that very few workers continue uninterruptedly at work throughout the entire day. They will take a rest even if there is no official time set aside. However, it has been noted that if a work pause is sanctioned by authority, the worker is able to relax completely with no feeling that he is loafing on the job, and he will also take on nourishment.

The importance of food during rest periods was first documented in a time study analysis of production jobs during the last war. There was found to be a consistent slump in production in the middle of the morning and the middle of the afternoon. Carefully controlled experiments have proved that these slumps can be most adequately controlled by the administration of one gram of carbohydrate.

Thus the person who takes on sugars or starches during the coffee clutch can at least argue from a scientific basis, that although he may not be practicing good weight control, he is increasing his production efficiency.

If a car is taken over rough roads at high speeds for a considerable period, National Automobile Club reports the headlight adjustment is likely to be adversely affected.

Drive slower at night.
